THE PERFORMANCE COLLECTION

Protection, beauty and endurance come together.

Perfect for ranches, fields and farms...or even if you just seek a rural appearance to your property borders. Master Halco Equestrian™ systems are designed to withstand the rigors of rural life. With long-term expenses being considerably less than traditional wooden fence, you can rest assured that our ranch rail style fences deliver years of trouble free ownership.

The clean lines of a gentle, rolling ranch rail fence are the hallmark of rural America. This style of fencing is an excellent way to mark out your property boundaries without marring the natural beauty of the environment.

Available in 2 rail, 3 rail and 4 rail

- 1 1/2" x 5 1/2" rails
- Posts 5"x5", installed as 8' on center.
- Gates available from 4' to 10' in width.

Low maintenance luxury at a great price

Once installed, a Master Halco Equestrian fence system provides a lifetime of lasting beauty and function. Not only will the product not require painting, it will not flake, peel, discolor, blister or fall prey to insect damage. Furthermore, animal safety is enhanced since this is not a material that horses or livestock will crib or chew on.

Our pledge of maintenance freedom

Master Halco warrants the original consumer purchaser that Equestrian fence systems are free from defects in material or manufacturing workmanship. As a result, these products will not peel, split, flake or blister.

Furthermore, Master Halco warrants that these products will not require the painting and traditional maintenance associated with fencing manufactured from raw materials other than PVC. Nor will they exhibit abnormal weathering, discoloration, brittleness or insect damage.

Be sure to ask your fence contractor for a full written copy of your Lifetime Limited Warranty at the completion of installation.
